Celebration Runs:

Till today no talks on X'mas run by the Christians.

The MCA tigers say, " No Christmas run, No CNY lan-lah" If 2 Bayees can give Vaisaki run and 8 MIC tigers can give Diwali run, why not X'mas run and CNY run???

It's a very unfriendly situation. It is understood the Christians don't have an experienced local Christian tiger to collect money and order beers and arrange food.

If all the Christians are willing, the On-sex is willing to organize The X'mas run as previous year. A belated celebration is better than nothing at all.

A **Touch "n" Go member** pays Rm50.00 deposit, and whenever he comes, pay Rm15.00 for 2 beers and food from the hare. He also must set a run yearly. A **Guest Hasher** pays Rm20.00 for 2 beers and food from hare. A **Non-Hasher Guest** who comes to check-out, how much he should pay? Rm25 or 30 ?

The BURST:

Run no:2418, by Roger "Rabbit" Chong at IJM Shophouses.

Co-hare: the Monk.

27 tigers were present.

Guests: Bernard and Marco.

Touch-n-go Monk.

The Guest Bernard came out of a three year retirement to run as the runsite was just around the corner from his residence.

TT Eou called the tigers together and announced a long run. Up the hill across the main road where me met-up with Roger again who pointed the start of the run.

Miss Peggy wanted a leak but had to wait for the jungle to arrive before exposing himself. The jungle was short and emerging on track, we gradually climbed up the Jambul long climb on path suits Road Runner as otherwise the ageing knees slow me down.

The first check was an easy one and was hardly noticed. Not so the second check which took us off the path and into the undergrowth where front runners thrashed about looking for paper and the elderly ones contributed with cries of Are You On? I was by this time bringing up the rear with Bernard and TT.

Ignoring Bernard's cries to wait,

BURST on the Royal Klang Club Hosting 8th Malaysian Nash Hash 2010 in Klang

Royal Town. 12 to 14 March 2010.

Friday: Registration and collection Goody bag, Red dress run thru the Klang City under the hot sun.

7.30 pm Hawker food at 10 stalls with 10 variety of food.

On the stage speeches followed

Declare open the Nash Hash by

YB Elizabeth Wong. Show time

With Regina's sexy dance

Performances. Music machine

Started with dancing time till

Late with beers free flowing.

We ploughed on up a steep hill

Then out onto another track and

Along the ridge to the east.

We'd been out nearly an hour when

We found the trail down the hill. This

Led through semi thick jungle but the

Rain had settled the dust without

Making it slippery. Bernard overtook

Me going down and then we emerged

To a farmers plantation. The farmer's

Daughter delayed us for a few minutes

But the thought of a cool one stopped

The fun and we continued on down.

Last back at 7.30. A good run but as

Front runner Tonnie was back by 7.00

Hardly a long one. Uncle Ong couldn't

Break the check, so had to turn round.

Roger provided great makan, chicken

Pork mixed vegi, rice and plenty of it.

TT called a circle and put the guest on

Ice. Despite protests by Bernard and a

Number of delaying tactics he

Eventually lowered his arse to the ice.

He was followed by TT as who had

manipulated the total number of runs

He had done since 1985 by a 100 or

More. Then it was Roger Rabbit's turn

No complaints about the run but more

farmer's daughters should have been

available. Road Runner.

13th Saturday, 12 noon ball breaker run started, 1.30pm start of two long runs, 3 pm three medium runs started at 4.00pm one short run started.

After the runs they had their own circles at the runsite before leaving for the Club.

That night same number of food stalls

Some change of food with char-siow pork. On the stage some chapters provided their own hash acts.

GM's on down, Dancing time till late.

14th Sunday, No one did the recovery run at 8.30 am. Later the GMs and on sex meet with MHC AGM and election of next Nash Hash host. It is PH4.
