The BURST:

Run no 2420, by Dildo at Dildo's Play ground.

29 tigers plus 2 guests: Marco and Insp. Gidget from Pye hash.

Ravi the GM announced that his Committee have appointed Bala Seng2 as our Asst on-cash, Shark as the Hash Whip, Soon Gee and Khor JY as Hash pros.

Hash Cash announced that the dues should be paid within the first two weeks to be eligible to collect 2 beers, after which the cards will be kept by him until the due is paid, but no 2 free beers. This is to make the tigers be responsible and diciplined. On the other side don't expect the unpaid hash cash to go round collecting week after week as though he has nothing better to do.

On-Sex informed all tigers that outstation Invitations Runs are printed in the Newsletter, which-ever Invitation you wish to go, give your names and the levy, to on-sex who will do the regn. and arrange a group transport which depends on the number going. That much the on-sex can do.

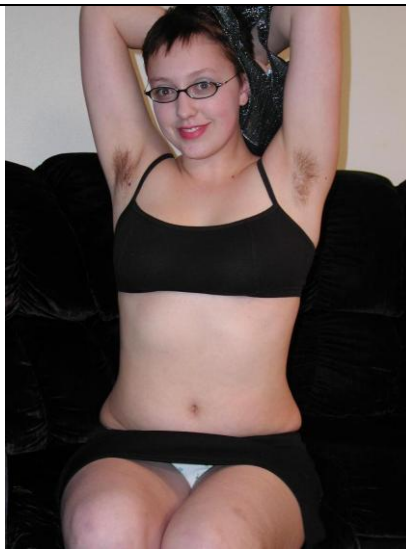

Dildo, the Hare said its medium run with 2 checks on ph3 hash paper.

The tigers started walking towards back of KNLT's house, up a slope, came out to the open farmer's plot. There was a check here. KNLT picked up the checked papers and laid on the correct trail. The paper went up the hill, half way it went right skirting for some 30 minutes, that was where we had the full-work-out, then on-up to reach the Charly highway, to our surprise and smiling face.

Along the hash hi-way, we were wet from the rain, we expected the paper to lead us down on the left at two familiar junctions, but did not. Further along the way at an unexpected spot one piece of paper lead us down left until we reached a familiar place where there was a farmer's house before. Now it was torn down. Another 10 meters from here, we could see the back of Shark's Condo. Shark was not in the run, so, we looked at his unit to find him but his wife was there waving to us. We could'nt figure out her hand sign calling us to come over or she was trying to say "Shark is not in". Anyway we were excited but too tired to follow-up. We, who are they? Myself, Khor, Bob, Soon Gee. Back at the run site, the hare kept to the Hash principle, ie makan after the last runner is back, that was Uncle Ong.

Later, the food was served. Rice and big-chicken curry and two types of mixed veggies done in typical punjabi taste, fantastic.

Simple good medium run and good tasty food. TQ Dildo.
