**Dear Tigers,**

Your on-sex regrets for his absence for 5 weeks and without any newsletter. He was fucked-up On both wrists for consuming on the average 20 beers/week over the last 2 yrs consistently. No more staying late at run site, no more then 2 beers and stop offering me any free beers.

**. PH3 Anniversay Dinner:**

The Committee most probably may approve it to be at Danok. This is the first time in the history of PH3 that an Anniversay dinner to be held in a foreign land. The committee is determined to organize something different for the tigers/members. In turn the Tigers should appreciate the effort of the Committee and support it by packing your bag for a 2day 1 night holiday and put your valid passport to good use. If for any reason a tiger unable to go, the committee may consider giving you something whose value is equivalent to the food /pax cost.

The transport cost for a return trip is RM70.00  
 One night hotel is not more then RM50/room.  
 The grand dinner may be free for you.  
 Look-out for the Committee decision.

**Third Quarter Subs:**

Our very strict Hash Cash has reported that most of the Tigers have paid-up their 3<sup>rd</sup>.Qr. subs. The following Tigers **are not** the defaulters but they were not be able to come for the runs. Without any offence, just to mention their names as a reminder: Miss.Piggy, Road runner, Taiping Balu, Ong, Peh Moh, Porky, KBEng.

**Hi Ladies at PH3 runsite:**

On every Monday after the run, all tigers take off their wet shirts and walk around bare chested, some have washed themselves and in clean and dry shorts without any underwear. While being in such natural environment, if a tiger were to see any female human pass-by or their presence instigate our tigers to have a hard-on, being unable to control, Our olden tigers have been roaring to keep the females away. So, the young tigers take note don't get bitten by the old tigers
