A Word from the GM

Very good run from Ah Loong and undisclosed cockhares. They managed to find a very original on up and a original on down. The hare must have thought that the last part of the climb was too steep for the old farts so he sent Black Lee up before the run to attach a rope to accommodate a safer climb. The rope was the length of an average shoelace so that turned out to be a bit of a joke. By the way the old farts ventured off to the concrete track a long time before this challenging part started anyway very nice gesture from the hare.

ET returned after a 3 months absence he was asked to write the Burst and you guess what happened he must still be high from his visit to Amsterdam! Well he deserves a bit of ice.

The burst is an excellent way to give feed back to the hares so they can improve their run setting skills resulting in better runs so please take this task seriously!

Next weeks run Bukit Gambier, very popular lately lets hope David has something on his sleeve other than snot.

Still tickets for sale for the PI anniversary Ball RM 55 so talk to the GM.

the steering wheel, the brake pedal and even the accelerator!" she cried. The Operator said, "Stay calm. A Police car is on the way." A few minutes later, the officer radios in. "Disregard." He says. "She got in the back-seat by mistake."

Three sisters ages 92, 94 and 96 live in a house together. One night the 96 year old draws a bath. She puts her foot in and pauses. She yells to the other sisters, "Was I getting in or out of the bath?" The 94-year old yells back, "I don't know. I'll come up and see." She starts up the stairs and pauses "Was I going up the stairs or down?" The 92 year old is sitting at the kitchen table having tea listening to her sisters. She shakes her head and says, "I sure hope I never get that forgetful, knock on wood." She then yells, "I'll come up and help both of you as soon as I see who's at the door."

"I CAN HEAR JUST FINE!"

Three pensioners, each with a hearing loss, were playing golf one fine March day. One remarked to the other, "Windy, isn't it?" "No," the second man replied, "it's Thursday." and the third man chimed in, "So am I. Let's have a beer."

SUPERSEX

A little old lady was running up and down the halls in a nursing home. As she walked, she would flip up the hem of her nightgown and say "Supersex.." She walked up to an elderly man in a wheelchair. Flipping her gown at him, she said, "Supersex." He sat silently for a moment or two and finally answered, "I'll take the soup."

An older couple was lying in bed one night. The husband was falling asleep but the wife was in a romantic mood and wanted to talk. She said: "You used to hold my hand when we were courting." Warily he reached across, held her hand for a second and tried to get back to sleep. A few moments later she said: "Then you used to kiss me." Mildly irritated, he reached across, gave her a peck on the cheek and settled down to sleep. Thirty seconds later she said: "Then you used to bite my neck." Angrily, he threw back the bedclothes and got out of bed. "Where are you going?" she asked. "To get my teeth!

80-year old Bessie bursts into the rec room at the retirement home. She holds her clenched fist in the air and announces, "Anyone who can guess what's in my hand can have sex with me tonight!!" An elderly gentleman in the rear shouts out, "An elephant?" Bessie thinks a minute and says, "Close enough."
