WORD FROM THE ON SEX

The GM has pissed off to Perth already, so in his absence, it's the On Sec's chance to mouth off! So here goes: Put the GM on Ice!!! Being a man of precious few words these days (what you say may be used against you in a court of law and we have a lot of Bayee lawyers in PH3), and also being over-worked, underpaid, and chronically lazy anyway, I'm gonna take the easy way out and make this a "pictures only" newsletter. Knowing that 50% of our club is semi-literate and the other 50% half-blind and the other 50% half-drunk (and none us are good at percentages), this probably won't matter much or perhaps even be noticed! Anyway, we have so many pix from Bill Howell's excel-

lent romp through the hills above Batu Feringhi last week that it would be a shame not to expose them, especially since we have so many fine specimens of manhood amongst our membership – just compare Billy H side-by-side with the flabby US Navy Seals who joined us and you'll see the point! Happy St Paddy's Day to all of you, just watch out for little green Leprechauns, especially after your 7th Anchor! On On, Bob "KNLT"
