China tiger prayers on the 8th day of CNY, and can't find a non-China tiger to replace. Money, Rudru and Goodyear were the hares.. There were 23 tigers, 3 guests, one returning German- Theo and Gen.LC Soon. It was a Committee run and the on-sex has no comment on the run except something unusual. Beer-man only said he will be coming to serve on the first day of the CNY but did not say about following Monday to which he did not reply a SMS query and never turned up. Except to assume involvement in an accident. The committee ran around to bring the water. The beers were too late to arrange. As for food, an arrangement with a Tiger went unnoticed as he did not open his office email-CNY holiday. For confirmation, his hand phone number was cancelled. Thus it was fcukd.</p> <p>The Committee's Plan B was: Let's go to the Goodall for food and byo beers and food (<\$10) for each from PH3 kitty. Most went to concubine's house and not interested to Goodall.</p> <p>Moral of the story: Nothing comes easy all the time for the Committee.</p> <p>GM</p>	<p>2-4 March,2012 Philippines Hash Bash Baloy Beach, Subic Bay.
