

## WORD FROM THE GM.

Bukit Jambul Car Wash  
R.I.P. I was in shock and awe when I saw what they did to our lovely runsite it was beyond recognition completely destroyed! Anyway Roger Rabbit improvised and set us up down the road with even more meters to climb!

Roger is a hashman thru and thru he had his wife set the run and cook the food! A real champion!

I hope you all brought torch-lights this is the day you will need it! Marco's revenge run it's going to be tough!

Jaya is looking for a Interhash registration for as little money as possible so if you have on talk to him.

The Malaysia Nash Hash is coming to Langkawi looks like a great event Ajit Singh has signed up so, lets do it!

Latest invention tattoo a hundred dollar bill on your dick. It has three major advantages: 1st. It makes it great to play with your money. 2nd. its nice to see your money grow. 3rd. it doesn't matter if your wife/ concubine touches you money!

One more thing: Pay your subs! last change!

Burst of Run 2306.

**January 21, 2008**

Run 2306 Roger Scuba Bukit Jambul carpark

Scribe: Marco Polo

A small group of about 30 hashers gathered at the runsite. Gone the time when we were 50+ , could it be that some of the Chinamen stay away because of the new GM? I noticed that Bob seems to be living out of a suitcase in the boot of his car, what's up with that?

The run started without the hare, the idiot forgot the key box and the cards, and had to drive to stinky Gertak Sungul to get the stuff. Very uncommon for Penang, the run started uphill, "Fat Legs" and Hock Keong and 1 or 2 other Chinamen were in front. I pushed myself to stay ahead of the GM. After a while uphill, I felt already a bit fucked up, thinking about using illegal measures (farting in GM face, as Playboy did it the run before or shouting "Bees!") to stay in front of GM. Luckily we arrived at the first check. Bob checked to the right, myself to the left. The Shark found the check a bit later and we both together with "Mini Sausage" arrived the top of

the hill together, catching up with "Fat Legs" at the 2nd check. This check was a bit more tricky – it led downhill. I had a good time downhill, (I love the gravity) but there were some uphill meters and this finished me off. After 1hr+ I reached the runsite, had some cold beers and good makan. Bob was made to drink from his "new" shoes, Khoo Boon Wah and Playboy were iced for their non-bursts, Kali was iced for wearing shoes in the wedding temple of Rudru's son. Kali thought it was a wedding hall instead of a temple to bad for him! Good run, Roger, and good home cooking from the wife!
