

## WORD FROM THE GM.

Long fellow was admitted in Glen Eagles on Tuesday after the run. Diagnosed with a blood clog in his right arm. He is still in IC but stable. Luckily we accepted his "MC" and didn't ice him after the run as that would have, most likely, gotten us a nomination for the Guinness book of records.

One other subject came up last circle, "DOUBLE STANDARDS" "one of those typical Malaysian catchwords, meaning *a rule or principle that is unfairly applied in different ways to different people or groups*.

Let me give you a definition of DISCRIMINATION *the unjust, or prejudicial treatment of different categories of people or things, esp. on the grounds of race, age, or sex*. Too many people just shout "DOUBLE STANDARDS" indiscriminately.

Please understand that our normal vocabulary of 4 letter words is something completely different! Nobody can just accuse your GM of DOUBLE STANDARDS no

fucking way!

When Goodyear says something like I have an understanding with the GM maybe ask what this understanding is before making yourself ridiculous! The GM in his attempt to get more members (which should be everybody's priority looking at diminishing membership and quickly rising average age!) gave Goodyear an extra initiative to join PH<sub>3</sub> by offering to become member of Tuesday Kakis (where Goodyear is GM). By the courtship approach your GM managed to get at least 5 new members over the last years! This is an approach that works. You have to pay utmost respect to guests and make sure they keep coming back. Give them a club where they want to be associated with and can be proud of! No fucking discrimination and racism! I will not tolerate it no way! Don't give me some vague rules which don't exist and don't misuse the circle for your own grievance or politics! OnOn Shark
